

Dakota Bookcase

Assembly Instructions

Thank you for your purchase.
Please follow the instructions below for correct assembly.

mocka

WARNING: Any furniture that is not anchored to a wall has the potential to tip over in certain circumstances, i.e. if a child attempts to climb up on the furniture or in the event of an earthquake. Accordingly, we recommend that all furniture is anchored to a wall. We supply a free safety wall anchor with all furniture sold and we recommend these are used to prevent your product tipping. The fixing device provided should fit most wall types, but please note that different wall materials may require different fixing devices from those supplied.

Phillips screwdriver required
For quicker assembly, we recommend the
use of a power drill on a low-speed setting.

5

Once assembled lift furniture into place, do not drag. Use a drill to create a small hole lining up with the top of the safety strap (V). Fasten to the wall using 1x washer (Z), 1x wall anchor (X) and 1x wall screw (Y).

6

Ensure unit is balanced and steady before use. You're done, enjoy!
